

Who's Mailing What! Archive Contributor Application

What are the responsibilities of an Archive Contributor?

If your application is approved, we request that you collect the mail you receive at home and the office during each calendar month, then send it to us no later than the third day of the following month.

The Archive will supply you with Federal Express mailing material and pay the FedEx charges for you to ship the mail to us. There is NO cost to you.

Please tell us about yourself
